Apprenticeship and Technical Training Course Offerings 2022-2023

Locations:

Hodgson Vo-Tech High School
2575 Glasgow Avenue
Newark DE 19702

Delcastle Technical High School
1417 Newport Road
Wilmington DE 19804

Marshallton Education Center
1703 School Lane
Wilmington DE 19808

*Select classes will be offered on a different nightly schedule.

†All courses will be hybrid for the 2022-2023 School Year. ALL Locations and Nights are subject to change. All changes will be determined with the instructors on a class basis.

NCCVT AED 2022-2023 Program Offerings:

- All NCCVT AED programs have a \$150.00 Admin Fee and \$350.00 Tuition Fee (\$150.00 + \$350.00 = \$500.00 Total Program Cost due at Registration) unless otherwise noted.
- o Due to our inability to forecast how COVID-19 will affect the in-person, hands-on training we are able to provide throughout the school year, all of our programs will be offered through a hybrid learning environment. Traditional classroom instruction will be administered either online through Schoology's Learning Management System while incorporating a mandatory Zoom Class Meeting component and/or through a traditional in-person classroom and/or hands-on instruction component. Our ability to offer in-person and/or hands-on instruction will be completely dependent on our ability to do so while keeping our staff and students safe while practicing any and all health and safety guidance related to COVID-19.
- NCCVT Adult Education Apprenticeship and Technical Training Programs have a maximum of 25 seats available in each class. Once the maximum allowable enrollment for each class and/or program is reached, students will be asked to join a waiting list.
- State of Delaware Registered Apprentices must provide a copy of their current, signed, and fully completed State of Delaware Apprenticeship Agreement in order to receive the State of Delaware Registered Apprentice Tuition Waiver. Students who provide their Registered Apprentice Agreement along with their Registration Form and Payment at the time of registration are only required to pay the \$150.00 Admin Fee for their program.
- All students are responsible for paying the admin fee for their program (which includes the cost of their textbooks), regardless of their Registered Apprentice Status.
- Registration Process: Students must register for NCCVT AED Programs by mail (Please follow Mail-in Instructions document on the AED Website).
- Please mail your completed Student Registration Form (the information on this form must be typed so we can ensure we have accurate student data and contact information), a completed copy of your State of Delaware Registered Apprenticeship Agreement (if applicable), and your full payment to:

Marshallton Education Center
Apprenticeship and Technical Training Office
1703 School Lane,
Wilmington, DE 19808

- Once a student's mail-in registration has been processed and he/she has been enrolled in their Program, he/she will receive an emailed receipt from the AED Office.
